

Success Starts *with* School Breakfast

Do you need help putting nutritious food on the table? Do you want to know if you might be eligible for free/reduced school meals? Contact your local NOEP Coordinator for a free, confidential prescreening for SNAP benefits, or assistance with SNAP recertification. Your NOEP can also assist with your free/reduced meal applications.

Students who eat breakfast learn easier and do better on tests. Most schools offer a free or low-cost healthy breakfast that includes fruit, whole grains, and milk for all students.

Let the School Breakfast program help your child start the day ready to learn!

Call your Washington County NOEP, Jessica Steller at (518) 242-9856 or (518) 587-5188 x408 for more information. SNAP and free/reduced meals are federally funded programs that bring money to our local economy, making these programs a win-win!

*Prepared by a project of Hunger Solutions New York; funded by NYSOTDA.
This Institution is an equal opportunity provider.*
